

A Place Where Future Leaders Are Created

At Rowntree, we believe in nurturing young minds with a unique blend of academic excellence and life skills development. Here's what sets us apart:

Accelerated Academics

We offer a challenging curriculum that encourages students to reach their full potential and prepares them for advanced academic achievement.

Montessori-Inspired

Our Montessori inspired approach promotes independence, curiosity, and hands-on learning, with caring educators guiding students in their exploration and discovery.

Solid Foundation

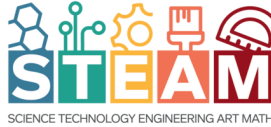

With a strong academic foundation and structured environment, we prepare students for the next grade and lifelong learning, providing the stability and support they need to thrive.

Life Skills

Beyond academics, we focus on essential life skills like communication, collaboration, and problem-solving, helping students build the confidence and abilities needed for real-world success.

STEAM

Science, Technology, Engineering, Art, Math

At Rowntree, monthly STEAM challenges, the STEAM fair, and STEAM activity days foster creativity, critical thinking, and problem-solving by integrating Science, Technology, Engineering, Arts, and Math. These hands-on experiences promote curiosity, teamwork, and perseverance, helping students tackle real-world problems through collaboration.

The STEAM fair allows them to showcase innovations and inspire others, while activity days offer an engaging break from routine, building skills like communication and design thinking. Together, these initiatives equip students to thrive in a rapidly evolving world and cultivate a culture of curiosity, innovation, and growth.

🌿 GIVING BACK 🌿

Community Events

The staff at RMS admire the students' empathy for their peers and the wider community. Throughout the year, students raise awareness and collect goods for non-profit organizations.

WOODHALL RETIREMENT

Our students brighten the holiday season at Woodhall's Retirement Home with Christmas cards and carols, fostering community and compassion while supporting isolated seniors.

JUMP ROPE FOR HEART

Rowntree supports student health and the community by raising awareness for the Heart and Stroke Foundation through skipping rope, promoting active lifestyles.

FOOD DRIVE

Each year, Rowntree donates to the local food drive, helping families facing food insecurity and demonstrating how businesses can make a real difference in the community.

GIVING BACK

Community Events

The staff at RMS admire the students' empathy for their peers and the wider community. Throughout the year, students raise awareness and collect goods for non-profit organizations.

TOYS FOR TOTS

Every December, RMS donates new, unwrapped toys to underprivileged children, promoting community involvement, generosity, and holiday spirit.

MITTEN TREE

Students decorate our Christmas tree with donated toques and mittens, which RMS distributes to various organizations, including local women's and Indigenous shelters.

TRUTH AND RECONCILIATION

Each year we illuminate our First Nations community's history and share their stories with our students. The staff at RMS plans cross-curricular lessons that include coding, reflection, and action.

➤ SCHOOL TEAMS ➤
House Leagues

House league school teams foster community, school spirit, and personal growth by offering students of all skill levels a chance to participate, promoting inclusivity and teamwork. Emphasizing character development, they encourage responsibility, respect, perseverance, and integrity on and off the field. Players learn accountability by following rules, showing up on time, completing tasks independently, and building self-discipline and leadership. Through healthy competition, house leagues support students' social, emotional, and academic growth, helping create a positive school culture and lifelong success.

LIONS

CHEETAHS

PANTHERS

TIGERS

EXTRA CURRICULAR

School Clubs & Activities

Extracurricular activities and clubs enrich the school experience by allowing students to explore interests, develop skills like teamwork and leadership, and build confidence. They foster personal growth, promote a sense of belonging, and encourage positive engagement with the school community. These activities also support emotional well-being by providing outlets for creativity and stress relief. Ultimately, participation prepares students for future academic and career success.

- Swimming
- Cricket
- Drama
- Pottery
- Science
- Band
- Soccer
- Martial arts
- Coding/Robotics
- Dodgeball
- Dance
- Flag football
- Choir
- Art/Drawing
- Floor Hockey

ILOS, International Learning Opportunities for Students, are impactful learning programmes that connect ISP students through unique beyond-the-classroom experiences. Rowntree students will have the opportunity to participate in the following seven ILOS:

ISP Artists encourages the artistic exploration of ISP students by providing them with guided activities to inspire their creative expression. Their work is then curated and shared through exhibitions in virtual spaces and schools.

ISP Changemakers is a learning journey that allows students across the ISP network to take action, share ideas, and design and implement change-making projects with a long-lasting, measurable impact on their school communities.

The ISP Virtual Exchange Program enables classrooms to exchange interactive activities in a reciprocal virtual environment with other ISP schools worldwide.

ISP Filmmakers is a multi-disciplinary project in which students learn the importance of collaboration in achieving the common goal of producing a film, its trailer, and its poster. It provides insights into career pathways in film and media.

ILOS, International Learning Opportunities for Students, are impactful learning programmes that connect ISP students through unique beyond-the-classroom experiences. Rowntree students will have the opportunity to participate in the following seven ILOS:

ISP Chess Masters grows students' skills and teamwork by connecting them with other ISP students to play fast chess online and in-person tournaments in local, regional, and global contexts.

ISP/SCU offers authentic opportunities for students to create awareness about the rights and protection of street-connected young people while developing various fundraising activities in their community.

ISP Scientists provides a unique opportunity for students to become citizen scientists and contribute to real-world STEM research projects, such as mapping the journey of missing plastic waste or tracking their habits to measure their environmental impact.
