

Meet Mr Evans

SOCIAL-EMOTIONAL LEARNING LEAD

Dear Rowntree Families,

I'm excited to step into my new roles as Deputy Safeguarding Lead and Social-Emotional Lead at Rowntree Montessori Schools this year. In these positions, I will be focusing on ensuring that every student feels safe, supported, and encouraged. I believe that social and emotional learning is essential for students to thrive academically and personally, and I work closely with staff to implement adaptive approaches that meet each child's unique needs and support positive behaviour.

Before taking on these roles, I have been part of the Rowntree community as a Music Teacher. Prior to joining Rowntree, I gained experience in the UK as a classroom teacher, Additional Learning Needs Coordinator, and member of Senior Leadership. I hold a Bachelor's degree in Music, a Postgraduate Diploma in Education, and a Master's degree in Psychological Sciences. Over my 8 years in education, I have developed a deep understanding of how to support diverse learners and foster positive learning environments.

I am also available to speak with students who may want someone to talk to about any concerns or challenges they are facing. I look forward to working closely with families and faculty to ensure students receive the guidance, support, and encouragement they need to grow into confident, compassionate leaders of tomorrow.

ROWNTREE
